The screenshot shows the main screen of a medicine reminder application. At the top, there's a status bar with the time 8:14 and various icons. The app title "Medicine Reminder" is centered at the top in a large, bold, black font. Below it, a red heading "ENTER YOUR MEDICINE DETAILS" is displayed. There are two input fields: one for "MEDICINE NAME:" and another for "MEDICINE TIME:". The time field has a placeholder "HH-MM". Below the inputs are three colored buttons: a green "ADD REMAINDER" button, a yellow "VIEW LIST" button, and a red "LOGOUT" button. At the bottom, there's a navigation bar with three icons: a hamburger menu, a home icon, and a back arrow.
